

Cease and Desist Affidavit and Assurance of Voluntary Compliance

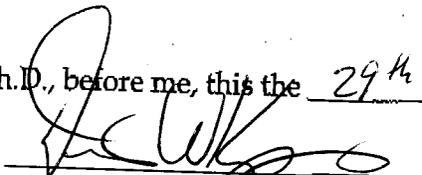

Comes the Affiant, Dennis W. Keyes, Ph.D., and after being duly sworn, states:

1. I have read the correspondence dated April 12, 2012, from the Office of the Attorney General regarding my unlawful engaging in the "practice of psychology" as defined by KRS 319.010(7) in Kentucky without a license issued by the Kentucky Board of Examiners of Psychology ("Kentucky Board") when I performed a psychological evaluation on a criminal defendant for purposes of a Kentucky criminal case before a Kentucky court. I am a school psychologist certified only by the State of South Carolina and am not licensed by the Kentucky Board.
2. I understand and agree as my assurance of voluntary compliance under KRS 319.082(1) that I may not engage in the "practice of psychology" as defined by KRS 319.010(7), unless I hold a valid credential from the Board, or am otherwise exempt from KRS Chapter 319 under an express exemption set forth in KRS 319.015. This means that I may not provide any direct mental health services to, or on behalf of, any member of the public in Kentucky, unless I hold a valid credential from the Board, or am otherwise exempt from KRS Chapter 319 as stated herein.
3. I understand that I may not, and my agents or representatives may not, use in Kentucky the term "psychologist," "psychological," or any term specified in KRS 319.005 or any title or description of services in a manner that implies or would reasonably be deemed to imply that I am licensed in Kentucky as a psychologist.
4. I understand that the Board may provide a copy of this Cease and Desist Affidavit and Assurance of Voluntary Compliance to any governmental organization, entity, court, or other person in the discretion of the Board.

Further Affiant sayeth naught.

Subscribed and sworn by William G. Austin, Ph.D., before me, this the 29th day of January, 2013.
