319.054 Psychology Interjurisdictional Compact.

ARTICLE I

PURPOSE

Whereas, states license psychologists, in order to protect the public through verification of education, training and experience and ensure accountability for professional practice;

Whereas, this Compact is intended to regulate the day to day practice of telepsychology (i.e. the provision of psychological services using telecommunication technologies) by psychologists across state boundaries in the performance of their psychological practice as assigned by an appropriate authority;

Whereas, this Compact is intended to regulate the temporary in-person, face-to-face practice of psychology by psychologists across state boundaries for thirty (30) days within a calendar year in the performance of their psychological practice as assigned by an appropriate authority;

Whereas, this Compact is intended to authorize State Psychology Regulatory Authorities to afford legal recognition, in a manner consistent with the terms of the Compact, to psychologists licensed in another state;

Whereas, this Compact recognizes that states have a vested interest in protecting the public's health and safety through their licensing and regulation of psychologists and that such state regulation will best protect public health and safety;

Whereas, this Compact does not apply when a psychologist is licensed in both the Home and Receiving States; and

Whereas, this Compact does not apply to permanent in-person, face-to-face practice, and it does allow for authorization of temporary psychological practice;

Consistent with these principles, this Compact is designed to achieve the following purposes and objectives:

The members, officers, Executive Director, employees and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing in this paragraph shall be construed to protect any such person from suit and/or liability for any damage, loss, injury or liability caused by the intentional or willful or wanton misconduct of that person.
 2. The Commission shall defend any member, officer, Executive Director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful or wanton misconduct.
 3. The Commission shall indemnify and hold harmless any member, officer, Executive Director, employee or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional or willful or wanton misconduct of that person.

ARTICLE XI
RULEMAKING

- A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Article and the Rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.
- B. If a majority of the legislatures of the Compact States rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact, then such rule shall have no further force and effect in any Compact State.
- C. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.
- D. Prior to promulgation and adoption of a final rule or Rules by the Commission, and at least sixty (60) days in advance of the meeting at which the rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:
 - 1. On the website of the Commission; and
 - 2. On the website of each Compact States' Psychology Regulatory Authority or the publication in which each state would otherwise publish proposed rules.
- E. The Notice of Proposed Rulemaking shall include:
 - 1. The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;
 - 2. The text of the proposed rule or amendment and the reason for the proposed rule;
 - 3. A request for comments on the proposed rule from any interested person; and
 - 4. The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.
- F. Prior to adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.
- G. The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:
 - 1. At least twenty-five (25) persons who submit comments independently of each other;
 - 2. A governmental subdivision or agency; or
 - 3. A duly appointed person in an association that has at least twenty-five (25) members.
- H. If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing.
 - 1. All persons wishing to be heard at the hearing shall notify the Executive Director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five (5) business days before the scheduled date of the hearing.
 - 2. Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.
 - 3. No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection shall not preclude the Commission from making a transcript or recording of the hearing if it so chooses.
 - 4. Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.
- I. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

- J. The Commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.
- K. If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed rule without a public hearing.
- L. Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:
 - 1. Meet an imminent threat to public health, safety, or welfare;
 - 2. Prevent a loss of Commission or Compact State funds;
 - 3. Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or
 - 4. Protect public health and safety.
- M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the Chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

ARTICLE XII

OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

- A. Oversight
 - 1. The Executive, Legislative and Judicial branches of state government in each Compact State shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the rules promulgated hereunder shall have standing as statutory law.
 - 2. All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a Compact State pertaining to the subject matter of this Compact which may affect the powers, responsibilities or actions of the Commission.
 - 3. The Commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact or promulgated rules.
- B. Default, Technical Assistance, and Termination
 - 1. If the Commission determines that a Compact State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:
 - a. Provide written notice to the defaulting state and other Compact States of the nature of the default, the proposed means of remedying the default and/or any other action to be taken by the Commission; and

- b. Provide remedial training and specific technical assistance regarding the default.
 2. If a state in default fails to remedy the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the Compact States, and all rights, privileges and benefits conferred by this Compact shall be terminated on the effective date of termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.
 3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the Compact States.
 4. A Compact State which has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.
 5. The Commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.
 6. The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the state of Georgia or the federal district where the Compact has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.
- C. Dispute Resolution
 1. Upon request by a Compact State, the Commission shall attempt to resolve disputes related to the Compact which arise among Compact States and between Compact and Non-Compact States.
 2. The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.
- D. Enforcement
 1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and Rules of this Compact.
 2. By majority vote, the Commission may initiate legal action in the United States District Court for the State of Georgia or the federal district where the Compact has its principal offices against a Compact State in default to enforce compliance with the provisions of the Compact and its promulgated Rules and Bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.
 3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

ARTICLE XIII

DATE OF IMPLEMENTATION OF THE PSYCHOLOGY INTERJURISDICTIONAL COMPACT COMMISSION AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENTS

- A. The Compact shall come into effect on the date on which the Compact is enacted into law in the seventh Compact State. The provisions which become effective at that time shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

- B. Any state which joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule which has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.
- C. Any Compact State may withdraw from this Compact by enacting a statute repealing the same.
 - 1. A Compact State's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.
 - 2. Withdrawal shall not affect the continuing requirement of the withdrawing State's Psychology Regulatory Authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.
- D. Nothing contained in this Compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a Compact State and a Non-Compact State which does not conflict with the provisions of this Compact.
- E. This Compact may be amended by the Compact States. No amendment to this Compact shall become effective and binding upon any Compact State until it is enacted into the law of all Compact States.

ARTICLE XIV

CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate the purposes thereof. If this Compact shall be held contrary to the constitution of any state member thereto, the Compact shall remain in full force and effect as to the remaining Compact States.

ARTICLE XV

APPLICABILITY OF KENTUCKY STATE GOVERNMENT

In order to clarify the effect of certain provisions of this Compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A. By entering into this Compact, this state authorizes the licensing board as defined in Article II. Z. of this Compact and as created by KRS Chapter 319 to implement the provisions of this Compact.
- B. Notwithstanding any provision of this Compact to the contrary:
 - 1. When a rule is adopted pursuant to Article XI of this Compact, the licensing board of this state as defined by Article II. Z. of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board of this state as defined by Article II. Z. of this Compact to promulgate a rule adopted by the Psychology Interjurisdictional Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in withdrawal as set forth in Article XIII of this Compact. Nothing in these provisions shall negate the applicability of a Commission rule or Article XI of this Compact to this state.
 - 2. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Article XII of this Compact shall apply. If the deficiency is resolved in a manner determined by the Commission to be inconsistent with this Compact or its rules, or if the procedures under Article XII of this Compact fail to resolve an issue, the withdrawal provisions of Article XIII of this Compact shall apply.

3. If a court of competent jurisdiction determines that the Psychology Interjurisdictional Compact Commission created by Article X of this Compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Compact, or the powers granted under this Compact, then such an action by the commission shall be invalid and have no force or effect.
- C. Article X. F. of this Compact pertaining to the financing of the commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this Compact shall be from money collected pursuant to KRS 319.131. D. This Compact shall apply only to those psychologists who practice or work under a compact privilege.  - (a) Committed any act involving moral turpitude, dishonesty, or corruption, relating to the practice of psychology, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon conviction of such a crime, the judgment and sentence is presumptive evidence at the ensuing disciplinary hearing of the guilt of the licensee or applicant of the crime described in the indictment or information and of the person's violation of the statute on which it is based. For the purpose of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended;

 - (n) Physically abused or had sexual contact with a patient, client, student, or supervisee;
 - (o) Been convicted of a misdemeanor offense under KRS Chapter 510 involving a client, patient, or student, or a felony offense under KRS Chapter 510, 530.064(1)(a), or 531.310, or been found by the board to have had sexual contact as defined in KRS 510.010 with a client, patient, student, or supervisee;

- (3) No unlawful act or violation of any provision of this chapter by any credential holder employed or supervised by a licensed psychologist shall be cause for the revocation of the supervisor's license, unless the board finds that the licensed psychologist had knowledge of it.
- (4) Three (3) years from the date of a revocation, any person whose license has been revoked may petition the board for reinstatement. The board shall investigate his or her petition and may reinstate his or her license upon finding that the former licensee has complied with the provisions of this chapter and administrative regulations promulgated by the board and is again able to engage in the practice of psychology with reasonable skill, competency, and safety to the public.
- (5) The board may, at its own discretion, reconsider, modify, or reverse its probations, suspensions, revocations, restrictions, or refusals to issue or renew licenses at any time.

 - (d) Require the credential holder, as a condition of probation, to submit to care, counseling, or treatment by a professional designated by the board, or require the credential holder to be supervised by a licensed psychologist designated by the board. - (5) Final orders of the board suspending or revoking a license or placing a credential holder on probation shall become effective immediately after written notice is served on the credential holder and the credential holder shall not, after notice of same, engage or continue to engage in the practice of psychology unless the board's final order is revoked or modified by the court after judicial review.
 - (6) The board shall make public its final order in all disciplinary actions.
 - (7) Any person aggrieved by a final order of the board may appeal to the Franklin Circuit Court in accordance with KRS Chapter 13B.

319.140 Duty of treating psychologist utilizing telehealth to ensure patient's informed consent and maintain confidentiality -- Board to promulgate administrative regulations -- Definition of "telehealth".

- (1) A treating psychologist or psychological associate who provides or facilitates the use of telehealth shall ensure:
