

1 BOARDS AND COMMISSIONS

2 KENTUCKY BOARD OF EXAMINERS OF PSYCHOLOGY

3 (Amendment)

4 201 KAR 26:190. Requirements for supervised professional experience.

5 RELATES TO: KRS 319.050, 319.053, 319.056, 319.064

6 STATUTORY AUTHORITY: KRS 319.032, 319.050(2)(d)

7 NECESSITY, FUNCTION, AND CONFORMITY: KRS 319.032(1)(a) and (1)(l) require the  
8 Board of Examiners of Psychology to promulgate administrative regulations to establish  
9 requirements for licensure and supervision. This administrative regulation establishes  
10 requirements for supervised professional experience.

11 Section 1. Supervisory Requirements for an Applicant for Licensure as a Psychologist. (1)  
12 The applicant for licensure as a psychologist with the authorization to provide psychological  
13 health care services shall have completed a minimum of 3,600 hours of supervised professional  
14 experience in accordance with this administrative regulation.

15 (2) A minimum of 1,800 hours of the supervised professional experience shall be a  
16 predoctoral~~[pre-doctoral]~~ internship of 1,800 hours with at least 100 hours of supervisory  
17 sessions.

18 (3) The remaining 1,800 hours of supervised professional experience shall be predoctoral~~[pre-~~  
19 ~~doctoral]~~, postdoctoral, or a combination of pre- and post-doctoral supervised professional  
20 experience acceptable to the board based upon the requirements of Sections 2 and 3 of this  
21 administrative regulation.

1 (4) Supervised professional experience at the pre-internship level shall consist of practica, field  
2 placement, or other professional experiences, all of which must take place in an identifiable  
3 clinical setting with mental health clients~~[not including the beginning courses and accompanying~~  
4 ~~practica in assessment and treatment techniques]~~.

5 (5) At least fifty (50) percent of the supervised professional experience shall be in service-related  
6 activities, such as treatment, assessment, interviews, report-writing, case presentations, and  
7 consultations.

8 Section 2. For a person applying for licensure as a psychologist, the predoctoral~~[pre-doctoral]~~  
9 internship shall meet the following criteria:

10 (1) The experience shall occur within an organized training program, in contrast to supervised  
11 professional experience or on-the-job training and have a planned, programmed sequence of  
12 training experiences;

13 (2) The training program shall have a clearly designated staff psychologist who shall be:

- 14 (a) Responsible for the integrity and quality of the training program;
- 15 (b) Actively licensed by the Board of Examiners in Psychology; or
- 16 (c) Licensed at the doctoral level by the State Board of Examiners in the state in which the  
17 training program exists or otherwise meets the standards of applicable state law; and
- 18 (d) For school psychology doctoral internships, the responsible psychologist director may be  
19 from an affiliate agency or from the university training program.

20 (3) Internship supervision shall be provided by a staff member of the internship agency or by an  
21 affiliate of that agency who has clinical responsibility for the cases being supervised. At least  
22 half of the internship supervision shall be provided by one (1) or more psychologists with an  
23 appropriate doctorate degree;

- 1 (4) The internship shall provide training in a range of assessment and treatment activities  
2 conducted directly with clients seeking psychological services;
- 3 (5) At least twenty-five (25) percent of the trainee's time shall be in direct client contact;
- 4 (6) The internship shall include a minimum of two (2) hours per week of regularly scheduled,  
5 formal, face-to-face individual supervision. There shall also be at least two (2) additional hours  
6 per week in learning activities such as case conferences, seminars dealing with clinical issues,  
7 and group supervision;
- 8 (7) Training shall be post-clerkship, post-practicum, and post-externship level;
- 9 (8) The internship shall have a written statement or brochure that:
- 10 (a) 1. Describes the goals and content of the internship; and  
11 2. States clear expectations for quality and quantity of the trainee's work; and  
12 (b) Shall be made available to prospective interns.
- 13 (9) The internship experience shall be completed within twenty-four (24) months unless an  
14 extension is approved by the board for extreme extenuating circumstances such as illness,  
15 disability, or pregnancy;
- 16 (10) The trainee shall have a title such as "intern", "resident," "fellow," or other designation of  
17 trainee status; and
- 18 (11) The internship agency, preparing institution, and intern shall have a written agreement that  
19 describes the goals and content of the internship including clearly stated expectations for the  
20 nature of experiences offered in the agency and for the quantity and quality of the work.

21 Section 3. Additional Required Supervisory Experience. (1) For a person applying for  
22 licensure as a psychologist to provide psychological health care services, the 1,800 hours of  
23 supervised professional experience, in addition to the internship required by KRS 319.050(2)(d),

1 shall be a training-oriented professional experience that:

2 (a) May include course-related field experience and practica; and

3 (b) Shall take place in an identifiable clinical setting with mental health clients~~[Shall not include~~  
4 ~~the beginning courses and practica in assessment and treatment techniques]~~.

5 (2) In addition to training in a range of diagnostic and treatment activities conducted directly  
6 with clients seeking psychological services, the supervised professional experience shall consist  
7 of a planned and organized sequence of activities that includes explicit training and supervision  
8 in the following areas:

9 (a) Clinical skill development;

10 (b) Legal and regulatory issues;

11 (c) Ethical dilemmas and issues; and

12 (d) Supervisory skill development.

13 (3) During the 1,800 hours of supervised professional experience in addition to the predoctoral  
14 internship, the candidate shall:

15 (a) Be under supervision as required by 201 KAR 26:171; and

16 (b) Be providing psychological health care services under the supervision of a licensed  
17 psychologist or other licensed mental health professional approved by the doctoral training  
18 program who is affiliated with the training program or with the practice setting in a:

19 1. Health care facility or agency;

20 2. Regional mental health or mental retardation board;

21 3. School, college, or university;

22 4. Government agency;

23 5. Independent practice; or

1 6. Formalized postdoctoral~~[internship]~~ program.

2 (4) The applicant and the supervisor of record shall design and describe the proposed experience,  
3 including the areas listed in subsection (2) of this section.

4 (5) If the supervised professional experience in addition to the predoctoral internship is in an  
5 independent practice, a special application letter shall affirm:

6 (a) The identity of the applicant, supervisor, and employer;

7 (b) That the supervising licensed psychologist is not hired, employed, or engaged under contract  
8 by the applicant and shall not be terminated by the applicant;

9 (c) That the applicant is not an owner of the independent practice or organization, but rather  
10 serves as an employee; and

11 (d) That the applicant has both administrative and clinical supervision that shall be provided by  
12 the independent practice or employer.

13 (6) If the supervised professional experience is in a university setting, the application shall also:

14 (a) Be proffered by a full-time faculty member;

15 (b) Include a plan that contains each of the areas established in subsection (2) of this section; and

16 (c) Include a minimum of 400 hours of direct and indirect client involvement that:

17 1. Is supervised by a licensed psychologist; and

18 2. Includes:

19 a. Supervising student clinical work;

20 b. Diagnostic and interviewing activity that occurs within clinical research projects; or

21 c. Clinical work in the context of teaching psychotherapy, interviewing, or psychological testing.

22 (7) The board shall not grant a request for temporary licensure if the request does not contain an  
23 explicit and acceptable plan for the supervised professional experience as required by this

1 section.

2 Section 4. An applicant for licensure as a psychological associate shall complete supervised  
3 professional experience consisting of course-related field experience, practica, and formal  
4 predoctoral internships adding up to a minimum of 600 supervised hours that shall meet the  
5 following criteria:

6 (1) The experience shall occur within an organized training program and consist of a planned,  
7 programmed sequence of training experiences;

8 (2) The preparing institution's psychology training program shall have a clearly[-]\_designated  
9 placement director who shall be responsible for the integrity and quality of the experiential  
10 component of the training program;

11 (3) Weekly practicum and predoctoral internship supervision shall be provided by a staff  
12 member of the placement agency, by an affiliate of that agency, or by a university faculty  
13 member. At least half of the supervision shall be provided by one (1) or more psychologists with  
14 an appropriate doctorate degree and license;

15 (4) Field experiences, practica, and predoctoral internships shall provide training in a range of  
16 diagnostic and treatment activities conducted directly with clients seeking psychological  
17 services;

18 (5) At least twenty-five (25) percent of the trainee's time shall be in direct client contact;

19 (6) The preparing institution shall maintain a written statement or brochure describing the goals  
20 and content of the required field experiences, practica, and predoctoral internships; and

21 (7) Students participating in university-sanctioned supervised professional experience shall be  
22 clearly identified to clients and payers as trainees.

23 Section 5. An applicant for licensure as a psychological practitioner shall complete the

1 equivalent of five (5) full-time years of psychological practice under the direct supervision of a  
2 licensed psychologist approved by the board, consistent with the requirements of 201 KAR  
3 26:171.

4 (1) For purposes of this requirement, a candidate shall complete the equivalent of five (5) full-  
5 time years of supervised professional experience from the date of initial credentialing as a  
6 psychological associate, excluding any period of temporarily licensed psychological associate. A  
7 full-time year comprises at least 1,800 hours of supervised professional experience.

8 (2) A school psychologist who is employed in a Kentucky school system, credentialed by the  
9 Professional Standards Board, and also credentialed as a psychological associate by this board,  
10 may contract for on-going clinical supervision in the school setting with a board-approved  
11 licensed psychologist who is neither an employee nor a contractor of the school system.

12 (a) The supervised professional experience shall meet the conditions of this administrative  
13 regulation and may be used by the licensed psychological associate employed by the school  
14 system to meet the requirements for application to become a licensed psychological practitioner.

15 (b) To fulfill the requirements of 201 KAR 26:171, there shall be an explicit written plan  
16 approved by the board between the school system, the school psychologist, and the board-  
17 approved supervisor that delineates roles and responsibilities, without restricting the ability of  
18 the school district to direct or control the activities of its employee.

19 (c) A person trained in school psychology, if employed by an agency other than a public school  
20 or engaged in practice outside of the school setting, shall obtain clinical supervision in the  
21 manner specified by 201 KAR 26:171.

22 Section 6. Incomplete Application. An incomplete application shall be denied one (1) year from  
23 the date of filing and may be destroyed.

(1) Provide a brief summary of:

(a) What this administrative regulation does:

This administrative regulation establishes requirements for supervised professional experience.

(b) The necessity of this administrative regulation:

This administrative regulation is required by KRS 319.032.

(c) How this administrative regulation conforms to the content of the authorizing statutes:

KRS 319.032(1)(l) authorizes the Kentucky Board of Examiners of Psychology to promulgate administrative regulations governing supervision.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes:

This regulation assists in the effective administration by outlining the requirements for supervision.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation:

This amendment clarifies the requirements for internships.

(b) The necessity of the amendment to this administrative regulation: See (1)(b).

(c) How the amendment conforms to the content of the authorizing statutes: See (1)(c).

(d) How the amendment will assist in the effective administration of the statutes: See (1)(d).

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation:

This regulation will affect 1,772 licensed psychologists practicing in the Commonwealth of Kentucky, as well as an unknown number of individuals seeking licensure.

(4) Provide an analysis of how the entities identified in the previous question will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions each of the regulated entities have to take to comply with this regulation or amendment: This regulation will provide updated procedures for clinical supervision of certified psychologist, licensed psychological associate, candidate for licensure, a credential holder sanctioned by the board, or a credential holder under disciplinary action, and clarifies that this type of supervision is clinical, not administrative or business supervision.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities: This regulation should add no additional cost to the licensed entities.

(c) As a result of compliance, what benefits will accrue to the entities: This amendment allows licensed entities to have an updated understanding of procedures for clinical supervision of certified psychologist, licensed psychological associate, candidate for licensure, a credential holder sanctioned by the board, or a credential holder under disciplinary action, and clarifies that this type of supervision is clinical, not administrative or business supervision..

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: This administrative regulation does not create a cost for the administrative body.

(b) On a continuing basis: This administrative regulation does not create a cost for the administrative body

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The Kentucky Board of Examiners of Psychology is self-funded through the fees paid by licensees. No additional funding is necessary for the implementation and enforcement of this administrative regulation.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increases in fees or funding is necessary to implement the amendment to this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: No increases in fees or funding are necessary to implement this administrative regulation.

(9) TIERING: Is tiering applied? Tiering is not applied because similarly situated licensees are treated similarly under this administrative regulation.
